September 15, 2010

Dear Families,

So many of you have complimented the look of the new landscaping at C.R. Weeks. It is beautiful isn't it?

You may also have noticed that our driveway has now been completely repaved. In an effort to make arrival safer for our students, we ask that all parents use the turnaround area marked on the driveway to drop off your children, beginning on Monday, September 20th. There will be adult staff, as well as 5th grade student safety patrol members, available to assist children walking to the main entrance. Once inside the building, Mrs. Kraack and Mr. Bixby will help guide students to breakfast or to their classrooms. I am thrilled to report that most students were able to find their classrooms by the second day of school! Great job!

Of course, there will be occasions when your child will need your assistance with a snack or a project. At that time, please feel free to use the visitor's parking spaces and accompany your child into the school. Thank you in advance for your support and cooperation with our safety efforts.

Sincerely,

Lisa Milano
Principal
